CULVER CITY EDUCATION FOUNDATION

Give a little - Get a lot

Culver City Education Foundation (CCEF) kicked off a \$1 million dollar fundraising campaign, "All For 1", at Fiesta La Ballona, this past weekend. In addition, we have a new friendlier website where you can make direct donations or set up a ten month pledge program. Our new video

Join Our List

CCUSD: *Culver City U Should Donate* features all of our very own Culver City kids. The campaign goal is to unite the community of Culver City to raise \$1 million dollars to benefit all Culver City schools. In 2009, the voter-approved parcel tax of \$1.2 million per year made a huge difference in maintaining excellence in our award winning schools. Since then, however, unprecedented annual budget cuts from Sacramento have placed our schools in need again.

CCEF is not unique in taking on this mission. Many education foundations across California have taken matters into their own hands, and asked the community to help keep their schools strong.

We are finding that as less money becomes available from the state, more and more programs and resources become susceptible to being cut. It is these programs and resources that help separate Culver City schools from the rest.

The money raised from our **"ALL FOR 1"** campaign will go towards maintaining these courses that help keep the bar raised high for our students, and support those who are struggling to get there.

We are one school district, a family of schools. This is why our campaign is called **"All For 1": 1 Community, 1 School District, 1 City** uniting to raise \$1 million for our children's future.

Please unite with us in maintaining the excellence of our schools through a donation to CCEF's "All For 1" Campaign. If every family in Culver City donates just \$1 per day (that's \$30 a month for ten months, \$300 a family), we will reach our goal of raising \$1 million per year and help secure the excellence we want for our children.

Please go to www.ccef90230.org and make your pledge now and to get more information what were raising funds for! Video link: <http://vimeo.com/28214437>
